President's Message

Hello friends. I want to start by thanking everyone for allowing me the honor and privilege of serving as NUTS Club President for the past two years. It has been a wonderful experience and I will forever value the camaraderie, knowledge, and lifelong friends I have gained. I'd also like to congratulate our newly elected 2013 officers. I know they will do a fantastic job and with your support and Todd Monson's leadership, our organization will keep going strong into the future!

This month's meeting will be our December 13th Christmas Party. It will be at the Chinese Gourmet Restaurant located at 4425 South State Street in Murray. We will begin at 6:30pm. Raffle tickets earned for attendance at club meetings and volunteering for club functions will be given out and there will be some wonderful prizes!

Please accept my apologies again for the confusion over last month's meeting date. Anyone who missed last month but attended all other meetings this year will be recognized for the perfect attendance award.

As a parting thought, I ask everyone to take a moment this holiday season and remember those who are so much less fortunate than us. Please, if you are able, pay it forward to someone in need. Merry Christmas everyone and I hope you all enjoy a truly wonderful New Year. Mike.

We work hard to open the exciting token collecting field to both new and experienced collectors. Our parent company Kagin's, a major numismatic dealer, has helped us introduce tokens as pioneer minor coinage to the traditional coin collecting market. We believe token collecting is one of the last untapped coin collecting fields, with an unlimited amount of potential. Our auction house has set the standard for token values over the last 20 years and the market value has increased exponentially. We are here to help you buy and sell all types of trade tokens and to help you explore the fun and exciting world of pioneer minor coinage.
